

SMITH STUDIO JAZZ

Smith Studio Jazz is a 20-piece big band playing jazz classics, lesser-known gems, and songs from other genres of popular music. Whether playing a tune written by Cole Porter or Herbie Hancock, SSJ's goal is to have fun while creating a family-friendly party atmosphere for the audience. Suzanne Smith directs, while vocalist and emcee Joe Bauer belts out Sinatra and Bobby Darin signature melodies, plus jazz and blues favorites, for SSJ's loyal fans.
